

Montgomery County, Virginia

COMMUNITY BUSINESS (CB)

CB district: Intended to create locations in the county for the provision of non-intensive and small-scale commercial services to the rural communities, residential transition, village, village expansion or urban expansion areas designated in the comprehensive plan. Such locations shall be designated principally along the secondary road system where they are in the best interest of promoting community life and reducing travel costs. The scale and character of uses shall be compatible with cross-road settlements and village locations. Lighting, hours of operation, and other characteristics shall respect neighboring uses and community character.

Qualifying lands

In order to qualify for inclusion in the CB district, the land shall either be within the current CB district (as of December 13, 1999) or other lands within areas mapped as rural communities, residential transition, village, village expansion or urban expansion areas in the comprehensive plan, which are served or planned for connections to public water and sewer. Locations not meeting county criteria may be permitted if all water and sewer disposal facilities are approved by Health Department officials prior to approval of rezoning or the Special Use Permit. The minimum area required to create a Community Business district shall be one (1) acre of total contiguous land.

What can I do "by right"?

There are uses that are designated as "by right," which means you do not have to apply for a special use permit. The uses do; however, have to comply with all approved plans and permits, development standards and performance standards included in the Montgomery County Zoning Ordinance and with all other applicable regulations. The "by right" uses include:
